

**PATHWAYS TRANSFER PROGRAM ARTICULATION AGREEMENT
FOR THE TRANSFER OF STUDENTS FROM SUFFOLK COUNTY COMMUNITY COLLEGE INTO THE
BACHELOR'S DEGREE PROGRAMS AT SUNY EMPIRE STATE COLLEGE**

Empire State College (ESC), and Suffolk County Community College (Suffolk), both of the State University of New York, agree to develop a Pathways Transfer Program, in accordance with the terms and conditions of this agreement. This agreement assures that qualified students completing any Associate in Arts (AA), Associate in Science (AS), or Associate of Applied Science (AAS) degree at Suffolk will be able to transfer seamlessly to Empire State College.¹ This agreement also establishes procedures for graduates of Suffolk to obtain the appropriate bachelor's degree (BA, BS, and BPS) at Empire State College.

How the Pathways Transfer Program Works

During their first year at ESC, students in the Pathways Transfer Program may, with advisement, opt to cross-register for up to 15 additional credits at Suffolk beyond the associate degree.² These lower-division credits will be applicable to the baccalaureate degree program by satisfying SUNY General Education requirements or needed pre-requisite courses.

Up to 79 total lower-division credits can be transferred in, leaving at least 45 upper-division credits to be completed towards the 124 credit bachelor's degree at ESC. This includes 24 upper-division credits within the student's selected concentration, consistent with the College's requirements for a bachelor's degree. Participating students will be able to transfer all credits earned as part of their associate degree to ESC, as long as they fit into the student's designed bachelor's degree program.

Academic Programs

Empire State College offers a wide range of bachelor's degree program options that align with many of the associate degree programs at Suffolk. For a list of bachelor's degree programs, please refer to www.esc.edu/degrees-programs/.

In addition, students have the option of designing a bachelor's degree program that builds on their associate degree and is tailored to their unique interests and goals. Working with a faculty mentor, students may design their own degree concentration within one of 12 broad areas of study or the School of Nursing and Allied Health.

¹ As per ESC policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis. Degrees earned as part of an AOS degree are not transferable, even if the student completed the AOS.

² Students may transfer up to 79 lower-division credits, or 93 total advanced standing credits, to Empire State College.

Students at Empire State College can earn their degree without having to leave their home community. The flexibility of the educational model allows them to customize their courses to fit around their family, work and community commitments. Students are able to combine a number of course modalities into their degree program, including online courses, independent studies, seminars and small group studies, residencies, and cross registration at other colleges (with advisement).

Benefits for Suffolk County Community College Transfer Students

Empire State College will provide the following benefits for participating Suffolk students:

- Waiver of the \$50 admission / orientation fee
- Provision of a \$100 transfer scholarship in the first term of matriculated enrollment at ESC
- Guaranteed admission to a bachelor's degree program (except for ESC's Bachelor of Science in Nursing program)

To be eligible, Suffolk transfer students must have completed an associate degree within the last 3 years, or be in (or entering) their final semester of completing an associate degree.³

A unique application benefits code for interested students to use during the admissions application process will be created by ESC and provided to appropriate staff at Suffolk for distribution.

Benefits for Employees of Suffolk County Community College

Employees of Suffolk may participate in the Pathways Transfer Program and become students at ESC by way of this agreement. Employees who already hold a bachelor's degree and wish to pursue a graduate degree at Empire State College are eligible for the following benefits:

- Waiver of the \$50 graduate admission / orientation fee
- \$100 graduate student scholarship in the first term of matriculated enrollment in the School for Graduate Studies
- A single point of contact at the School for Graduate Studies to guide new students through the admissions, enrollment and orientation process

For a complete list of graduate level degree and certificate programs offered by Empire State College, or to apply, please go to <https://www.esc.edu/graduate-studies/>.

Terms of the Agreement

1. ESC agrees, for those students who successfully complete an associate degree (AA, AS, AAS) at Suffolk and meet ESC's admissions requirements, to accept the entire associate degree from Suffolk and permit a seamless transfer into a bachelor's degree program.⁴ ESC's nursing program is selective and has additional program specific admission requirements.

³ Note that this applies only to the completion date of the associate degree, and not when all of the courses within the degree were completed. Please refer to "Guidelines of the Agreement", item #4.

⁴ As per ESC policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis.

2. Suffolk students have the ability to transfer up to 79 lower-division credits towards an ESC bachelor's degree, with the remaining 45 credits (of the 124 credit bachelor's degree) to be completed at the upper-division level with ESC. Upon completion of an associate degree, Suffolk students, with appropriate advisement, may complete additional credits up to the 79-credit limit at Suffolk.
3. The maximum amount of advanced standing a student may be granted at ESC is 93 total credits. This total would include lower and upper-division transcript credits, pre-evaluated credit (such as ACE, NCCRS, or ESC's Professional Learning Evaluation program), military credits, and individualized prior learning assessment, as long as those credits fit into an approved degree program. Additional details are found in the "Academic Guidelines" section of this agreement.
4. Both Suffolk and ESC agree to give the widest possible publicity to the establishment of this agreement, such as inclusion of procedures and descriptions in catalogs, bulletins, marketing publications, and webpages. This literature should clearly specify the persons or offices to contact at each institution.
5. Suffolk agrees to advise interested students, alumni and faculty advisors of the provisions of this agreement.
6. ESC will provide pre-enrollment information sessions for prospective transfer students onsite and online, as appropriate. Further, ESC will provide outreach to Suffolk faculty and staff regarding ESC information and this agreement.
7. This agreement becomes effective when all signatures are affixed and remains in effect for five years thereafter. Matters of concern that affect this articulation agreement should be brought to the attention of the Director of Academic Development in the Office of Academic Affairs at ESC, and the Vice President for Academic Affairs at Suffolk for discussion and amendments. The agreement may be amended or renewed by mutual agreement in writing.
8. Either party may terminate this agreement with thirty calendar days of advanced notice, in writing, sent via certified mail return receipt requested to:

Empire State College

Brian Goodale
Director of Academic Development
One Union Avenue
Saratoga Springs, NY 12866

Suffolk County Community College

Suffolk County Community College
Office of Legal Affairs
533 College Road, Ste. 230
Selden, NY 11784

9. In performing its obligations under this agreement, each party shall comply with all applicable laws, rules, regulations, institutional policies, and accreditation standards.
10. This agreement is not exclusive to Suffolk.
11. ESC and Suffolk agree that each is acting independently of the other, that they are not a joint venture, and that neither party is an agent of the other.
12. Both colleges acknowledge the confidential nature of student information that may be exchanged between them. As such, both colleges agree that this information must be kept secure, confidential, and only disclosed for authorized purposes, pursuant to the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). Student information will not be shared with third parties, and all FERPA regulations will be adhered to.

Guidelines of the Agreement

1. Suffolk students who successfully complete associate degree requirements for an AA, AS or AAS will be entitled to transfer to ESC all credits earned for the associate degree, including "D" grades that are part of the completed degree. If a student transfers to ESC without a completed associate degree, "D" grades are not transferable.
2. For a bachelor's degree at ESC, students must minimally complete 31 upper-division credits in residence towards a 124-credit bachelor's degree (see "Academic Guidelines" section for more details).
3. Any courses taken at Suffolk beyond the associate degree will be evaluated for transfer separately from the associate degree based on ESC's advanced standing policies.
4. There is no time limitation on transfer credits substantiated by a transcript except in areas where that learning may become outdated, such as in computer technologies and the sciences. Such credits will be evaluated on a course-by-course basis and may not be accepted if it is crucial to the structure of a degree program or concentration.
5. Students will be given the opportunity to complete all requirements for the bachelor's degree in a closely related area or concentration. For students who have completed associate degrees that are not closely related to the desired bachelor's degree area of study, additional courses may be required to complete their degrees and, in these cases, transcripts will be evaluated on a course-by-course basis to achieve maximum transferability.
6. All students need to complete the application process and meet all admissions criteria before being accepted to ESC.
7. Students may enroll at ESC on a full-time or part-time basis.
8. Suffolk will notify ESC of any substantive changes and/or alterations of its existing academic programs and/or modifications related to accreditation status and/or program registration with registry agencies, if any, within 30 days of initial notification.

Academic Guidelines

At ESC, students may self-design their bachelor's degree using approved area of study guidelines and the State University of New York (SUNY) and ESC degree requirements. Students pursuing a degree at ESC through this agreement work with an assigned faculty mentor to determine the most appropriate degree for their interests and goals, and how best to apply the advanced standing transfer credits in designing their degree. Students are encouraged to complete the degree planning process as soon as possible after matriculating at ESC, however, the process must be completed before a student registers for the final 16 credits of their degree program.

Table 1
Empire State College Bachelor's Degree Requirements

Degree	Total Credits	Maximum Advanced Standing Credits	Minimum ESC Credits in Residence	Minimum Upper-Division Credits	Minimum Upper-Division Credits in the Concentration	Minimum Liberal Arts and Sciences Credits
B.A.	124	93	31	45	24	94
B.S.	124	93	31	45	24	62
B.S.N.	124	93	31	45	40	62
B.P.S	124	93	31	45	24	32

- ❖ Area of Study and Concentration guidelines are used to structure the student's individualized degree program curriculum.
- ❖ To satisfy SUNY General Education requirements, every ESC bachelor's degree program must include at least 30 credits in seven general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication.
- ❖ Every ESC student must take 4-8 credits in Educational Planning.

Possible sources of additional Advanced Standing Credits:

- Individualized Prior Learning Assessment⁵
- Transcript credit from a regionally accredited college or university
- Standardized exams, such as CLEP or other exams⁶
- Military credit evaluated by the American Council on Education (ACE)
- Licenses or training evaluated by Empire State College

General Information

Further information about ESC may be obtained by calling the Empire State College Student Information Center at (800) 847-3000 ext. 2285 (8:30am-5pm, Monday-Friday).

All transfer students must submit the Empire State College Application for Admission form along with an official transcript of completed course work from all colleges previously attended to the Office of Admissions, Empire State College, 2 Union Avenue, Saratoga Springs, NY 12866. These forms can be found at <https://www.esc.edu/admissions/>.

⁵ Individualized Prior Learning Assessment (iPLA) is credit awarded for verifiable college level learning acquired through work, life experience or independent study
