between

St. Joseph's College and Suffolk County Community College
Specific to SCCC A.S. Business Administration and
St. Joseph's College B.S. in Organizational Management - Online

This document is an addendum to the Articulation Agreement between Suffolk County Community College and St. Joseph's College approved by both institutions and signed in December 11, 2011 (and renewed in 2016). This addendum specifically addresses the transfer of students who have completed the A.S. program in Business Administration at Suffolk County Community College to join the B.S. in Organizational Management - Online at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Suffolk County Community College to St. Joseph's College as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in 2011 and 2016 apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposes, attached to this agreement is a chart of SJC course equivalencies for SCCC courses in Organizational Management. The transfer course equivalencies are the result of dialogue between SCCC and SJC's Academic Deans, Department Chairpersons and faculty members. SJC liberal arts/core requirements and distribution requirements are also contained within this document. Requirements for a baccalaureate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

Students must achieve a 2.0 cumulative GPA and be in academic good standing to be considered for admission to the B.S. in Organizational Management at St. Joseph's College.
