between

St. Joseph's College, NY and Suffolk County Community College

*AS to BS to MS: Opportunity to earn all three degrees in five years of study*

Specific to AS SCCC Human Services and  
SJC BS Human Services and MS Human Services Leadership

This document is an addendum to the Articulation Agreement between Suffolk County Community College and St. Joseph's College, NY approved by both institutions and signed December 2011 (and revised in 2016). This addendum specifically addresses the transfer of students who have completed the AS program in Human Services to the BS program in Human Services at St. Joseph's College. Students will also be eligible to earn the MS in Human Services Leadership by achieving a GPA of 3.0 and completing a graduate application once enrolled at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Suffolk County Community College to St. Joseph's College, as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in December 2011 (and revised in 2016) apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposes, attached to this agreement is a chart of SJC course equivalencies for SCCC courses in Human Services. The transfer course equivalencies are the result of dialogue between SCCC and SJC's Academic Deans, Department Chairpersons and faculty members. SJC liberal arts/core requirements and distribution requirements are also contained within this document. Requirements for a baccalaureate degree and a graduate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon prior written agreement of both parties.

Students must achieve a 3.0 cumulative GPA and be in academic good standing to be considered for admission to this program with the goal of receiving the MS in Human Services Leadership at St. Joseph's College.
