AFFILIATION AGREEMENT
BETWEEN
SUFFOLK COUNTY COMMUNITY COLLEGE
AND
THE STATE UNIVERSITY OF NEW YORK, UNIVERSITY AT BUFFALO,
SCHOOL OF PHARMACY AND PHARMACEUTICAL SCIENCES

This Agreement is made by and between Suffolk County Community College, with its principal office located at 533 College Road, Selden NY 11784 and The State University of New York, a corporation organized and existing under the laws of the State of New York, with its principal office located at University Plaza, Albany, New York 12246, by and on behalf of the University at Buffalo, The State University of New York, School of Pharmacy and Pharmaceutical Sciences with offices located at 270 Kapoor Hall, Buffalo, New York 14214-8033 [hereinafter referred to as "the University at Buffalo"].

PURPOSE
I. Suffolk County Community College and the University at Buffalo School of Pharmacy and Pharmaceutical Sciences agree to cooperate in providing a 2 + 4 undergraduate/professional school education leading to the associates degree from Suffolk County Community College and the Doctor of Pharmacy (PharmD) degree from the University at Buffalo. The first phase (undergraduate) of the collaborative program will consist of the completion of a minimum of an AA or AS program/major at Suffolk County Community College including all of the University at Buffalo PharmD program required prerequisite courses. The second phase will consist of completion of the four-year curriculum of the Doctor of Pharmacy program at the University at Buffalo. Under this agreement, the student would receive an associate’s degree from Suffolk County Community College and, upon approval of the University at Buffalo, the student will complete four years of professional study and requirements for the Doctor of Pharmacy degree. This is a six-year program developed between Suffolk County Community College and the University at Buffalo that allows a participating student the opportunity to receive an associate’s degree and a Doctor of Pharmacy degree. The first two years of the program are completed at Suffolk County Community College and the last four years are spent at the University at Buffalo.

II. GUIDELINES FOR COLLABORATIVE PROGRAM ADMISSION TO THE DOCTOR OF PHARMACY PROGRAM
The PharmD Admissions Committee is seeking the following minimum requirements. In order to remain in the program(s), a participant must achieve or maintain the following:

1. Earn (on the 4.0 grading system) the following minimum grade point averages at Suffolk County Community College:
   (a) Prerequisite course science and mathematics GPA 3.5 (90th percentile or grade A on the 100 point scale)
   (b) Overall GPA 3.5 (90th percentile or grade A on the 100 point scale)
   (c) Each prerequisite course must successfully be completed with a grade equal to, or greater than, a C (2.0) by the end of the summer semester prior to fall admission.
For the fall entering class, students will have completed at least one year of English composition, one year of biology, one year of general chemistry, one year of organic chemistry, one year of calculus, one semester of statistics, one semester of microbiology, one semester of anatomy, one year of physiology, one semester of biochemistry, and one semester of any social or behavioral science (see the Undergraduate Catalog) and all University at Buffalo Curriculum requirements by the end of the summer semester prior to the fall semester in which the student will enter the first year of the PharmD program. See here: Prerequisite Courses.

2. Submit an application through the Pharmacy College Application Service (PharmCAS) during the fall of their sophomore year no later than October 1 following these steps: http://pharmacy.buffalo.edu/pharmcas

3. The PCAT is required for all PharmCAS applicants. We do not have a minimum score requirement. Scores at or above the national average are considered highly competitive for entry. The highest composite percentile score of all the exams is considered. Applicants are encouraged to take the Official PCAT Multiple Choice Practice Tests (examinees who take this usually score higher). We will not accept any PCAT test over 3 years old.

4. Submit 2 required PharmCAS letters of recommendation.

5. Maintain the appropriate moral and ethical standards necessary for admission and for the eventual attainment of professional licensure.

6. Upon invitation, the University at Buffalo will also require a formal interview with designated interviewers as part of the PharmD admissions process. Information regarding this requirement will be provided following the receipt of all application documents.

7. Selection is based on scholastic achievement, aptitude, personal qualifications, and evidence of motivation toward pharmacy. These are judged from the college record, grade point average, the PCAT, letters of reference and evaluation, and a personal interview. In addition to intellectual and academic competence, the School's Admissions Committee considers communication skills, leadership ability, community service, health care-related or research experience, and motivation for pursuing a career in pharmacy.

8. All students enrolled in the PharmD program must submit a Criminal Background Check (CBC) and a Drug Screen from a vendor approved by UB SPPS at the student's expense. The CBC is due within 15 days of the acceptance confirmation email. Drug Screens will be assigned throughout the four years in the professional program.

9. At the end of the first and second years, participants must submit an official transcript of grades to the PharmD Admissions Committee. Their performance in the program will be evaluated and they will receive a written or electronic response informing them of their status. Failure of a participant to achieve or maintain these standards will result in his or her removal from the program. Unsuccessful application or discontinuance following acceptance will not preclude direct application to the University at Buffalo through its PharmCAS application process and will not be considered in any future admissions review process.

10. Suffolk County Community College students would identify intent to pursue the 2+4 within the first 30 credit hours to ensure they can meet all course requirements during the associate's degree program. Students should make every effort to maintain continuous enrollment at Suffolk County Community College.

SUNY shall timely inform an appropriate SUNY official, in writing, that said Records should be made available; and (ii) said Records shall be sufficiently identified; and (iii) designation of said Records as exempt under the Statute is reasonable. Nothing contained herein shall diminish the rights or authority of SUNY or the State's right to discovery in any pending or future litigation.
