Joint Admissions Agreement between SUNY Suffolk County Community College and SUNY Old Westbury

I. Purpose:

This is a Joint Admissions Agreement ("Agreement") between Suffolk County Community College (hereinafter "Suffolk") located at 533 College Road, Selden, New York 11784 and SUNY Old Westbury (hereinafter "Old Westbury") located at 223 Store Hill Road PO BOX 307, Old Westbury, NY 11568. This Agreement establishes the terms, procedures and plan of coursework for Suffolk students who would like to obtain the associated bachelor's degree at Old Westbury after graduating Suffolk. Furthermore, this Agreement embraces the principle that transfer students should not be required to repeat competencies already achieved. The purpose of this agreement is to guarantee admissions into specified programs as long as the stated criteria is met.

Under this Agreement, associate degree graduates admitted into Old Westbury will have junior status, enabling them to complete the requirements for a bachelor's degree in four semesters of full-time attendance if the recommended course sequence is followed. Graduates will be awarded credits as specified in the transfer guides, subject to Old Westbury specific program(s) and/or institutional requirements. Only graded courses completed with a grade of C- or higher will be accepted in transfer. A minimum of a cumulative 2.0 GPA from Suffolk County Community College is required for consideration of admission to Old Westbury.

Students who complete the A.A. or A.S. degree at Suffolk County Community College are exempt from taking Old Westbury's General Education Distribution Requirements.

II. Eligibility

<u>The joint admissions program is open to:*</u>

- Applicants to Suffolk who will be first-time, matriculated freshman; or
- Transfer applicants to Suffolk who will enter with fewer than 24 credits of completed college work, except students who were previously matriculated at Old Westbury; or
- Any current matriculated Suffolk student who applies to the Joint Admissions Program prior to the completion of 24 credits of college work

***Students on VISAS are not eligible. Computer Science majors** must declare and be accepted directly into the major as first-time matriculated freshman at Suffolk.

<u>Articulation for Transfer Students Not Eligible for Joint Admissions</u>
Suffolk students not covered by the joint admission agreement are still eligible to seek admissions to Old Westbury through the regular admissions process by applying and by meeting the admissions standards of Old Westbury. Non-joint admission graduates will still be awarded credits as specified in the transfer guides, subject to Old Westbury specific program and/or institutional requirements. Only graded courses completed with a grade of C- or higher will be accepted in transfer.

As part of this Joint Admission agreement, students who have completed a Suffolk program listed in Section III with the specified minimum GPA and any additional admissions requirements, are guaranteed admission into the associated program. These students are provided junior status and the opportunity to complete the baccalaureate degree in two additional years of full-time study at Old Westbury if the suggested course sequence is followed.

IV. Old Westbury Responsibilities:

a. Publicize this Agreement to students, faculty and professional staff in campus publications.
b. Display a table on Old Westbury's website with each program's course equivalencies.
c. Designate a contact from the Office of Enrollment Services for Suffolk students transferring to Old Westbury.
d. Old Westbury agrees to provide, as needed, information sessions with faculty and staff of Suffolk who will be involved in consulting and advising students enrolled in the Joint Admissions program.
e. SUNY Old Westbury will provide transfer advisement on a Suffolk campus each semester and will invite Joint Admissions students with 30 credits or more to take part in these meetings.
    a. Joint Admissions students who participate regularly in these meetings, and are accepted to Old Westbury prior to 1 April will be able to register with their class at Old Westbury.
f. Provide information on degree changes as they become available if they impact a student's time for degree completion.
g. Review all applications from Suffolk students. Provided the recommended course selection in Appendix I has been fulfilled by the Suffolk student, and the student has graduated with the required GPA and has met all admission criteria, admission to Old Westbury shall be granted to the student. Suffolk students who are unable to satisfy an admission requirement may be considered by Old Westbury on a case by case basis.
h. Old Westbury students admitted to the Joint Admissions Program will enjoy the following benefits:
    a. Waiver of Old Westbury application fee
    b. Waiver of requirement to submit essay and letters of recommendation with admissions application

d. Transfer of credit for their entire associate degree

V. Suffolk Responsibilities

a. Suffolk will list Old Westbury on the Suffolk application as a joint admissions option.
b. Publicize this Agreement to students, faculty and professional staff in campus publications.
c. Assure that brochures and other printed materials are distributed to its transfer office, advisement center and academic departments.
d. Have advisors and counselors inform interested students of this opportunity.
e. Organize a Transfer Day for students to meet with advisors on Suffolk's campuses. This event shall include meetings with Old Westbury advisors, on Suffolk's campuses, the Old Westbury campus, or virtually.
f. Suffolk will be responsible for selection of candidates to the Joint Admissions Program. Applications will be evaluated according to the basic criteria in effect at Suffolk.
g. On October 1st and February 1st of each year, Suffolk will provide Old Westbury with a list of all students participating in the Joint Admissions Program. Suffolk's Dean of Enrollment Management will serve as the contact point for any student data or information associated with this agreement.

VI. Scholarship Opportunities

SUNY Old Westbury will offer one full tuition scholarship as part of the Stay On Long Island Initiative (SOLII) each fall. This scholarship will follow the standard procedures for the SOLII scholarships.

VII. Term of Agreement/Renewal:

a. The term of this Agreement commences on August 1, 2022 and terminates in five (5) years, on August 31, 2027, with an option to renew for an additional five (5) years, upon written consent of the parties. Prior to any such renewal, the parties will assess the Agreement to recommend revisions, warranted. This Agreement may be modified or terminated at any time by the mutual written consent of the parties. In the event it is decided at any time to modify or terminate this Agreement, commitments made to individual students already in the program will continue in effect for the terms applicable at the time the students enrolled in the program.

b. Each institution will annually review for any curricular changes at the sending and/or receiving institutions and update as necessary, including expanding its scope to encompass other programs, as appropriate.
