

Joint Admissions Agreement between Suffolk County Community College and Molloy University

I. Purpose:

This is a Joint Admissions Agreement (“Agreement”) between Suffolk County Community College (hereinafter “Suffolk”), located at 533 College Road, Selden, New York 11784 and Molloy University (hereinafter “Molloy”), located at 1000 Hempstead Avenue, Rockville Centre, New York 11571. This Agreement establishes the terms, procedures and plan of coursework for Suffolk students who would like to obtain the associated Bachelor’s Degree at Molloy after graduating Suffolk. Furthermore, this Agreement embraces the principle that transfer students should not be required to repeat competencies already achieved. The purpose of this agreement is to guarantee admissions into specified programs as long as the stated criteria is met.

Under this Agreement, Associate Degree graduates admitted into Molloy will have junior status enabling them to complete the requirements for a Bachelor’s Degree in four semesters of full-time work if the suggested course sequence is followed. Graduates will be awarded credits as specified in the transfer guides, subject to Molloy’s specific program and/or institutional requirements. Only graded courses completed with a grade of C- or higher will be accepted in transfer. A minimum of a cumulative 2.0 GPA from Suffolk County Community College is required for consideration of admission to Molloy University.

II. Eligibility

The Joint Admissions Program is open to*:

- Applicants to Suffolk who will be first-time, matriculated freshmen; or
- Transfer applicants to Suffolk who will enter with twenty-four (24) credits or fewer of completed college work, except students who were previously matriculated at Molloy; or
Any current matriculated Suffolk student who applies to the Joint Admissions Program with 24 or fewer credits of college work.

***Students on VISAS are not eligible.**

Articulation for Transfer Students Not Eligible for Joint Admissions

Suffolk students not covered by this Agreement are still eligible to seek admissions to Molloy through the regular admissions process by applying and by meeting the admissions standards of Molloy. Non-joint admission graduates will still be awarded credits as specified in the transfer guides, subject to Molloy’s specific program and/or institutional requirements. Only courses completed with a grade of C- or higher will be accepted in transfer.

As part of this Joint Admission agreement, students who have completed a Suffolk program listed in Section III with the specified minimum GPA and any additional admissions requirements, are guaranteed admission into the associated program. These students are provided

junior status and the opportunity to complete the baccalaureate degree in two additional years of full-time study at Molloy if the suggested course sequence is followed.
